

Subject: ENDA/EAACI Excipients Allergy Survey

Dear colleagues,

The ENDA/EAACI Excipient Allergy Task Force has developed an online survey aimed at mapping **allergic reactions to excipients commonly used in medications.**

We invite all European centers to contribute their cases.

The survey will take approximately **30 minutes** to complete, depending on the number of cases reported.

By completing the entire questionnaire, you will have the option to be listed as a **co-author** in an eventual publication (limited to one respondent for adult and one for pediatric cases per center to avoid duplicate responses).

We strongly encourage your participation via this link: <https://survey.kuleuven.cloud/365875>, or by scanning the QR code below.

Thank you very much for your valuable contribution!

Kind regards,

On behalf of the EAACI Task Force on Hypersensitivity to Excipients in Drugs,

Prof. Lene Heise Garvey
Prof. Rik Schrijvers
Dr. Toon Ieven
