### 1st ANNOUNCEMENT

The **5th Jack Pepys Workshop on Asthma in the Workplace** will be held in Montreal (McGill University), **May 17, 2013**, before the ATS annual meeting in Philadelphia USA.

This event will focus on the **comparisons between asthma in the workplace and ubiquitous asthma**. Six themes for comparisons will be covered: 1. Mechanisms and physiopathology; 2. Epidemiology and risk factors; 3. Etiological factors; 4. Diagnosis and clinical aspects; 5. Psychosocial and economical aspects; 6. Outcome, management and treatment.

The format of this scientific event will be similar to the one proposed in previous editions: short state-of-the-art reviews followed by longer discussions.

The organizers acknowledge the most appreciated support from the Commission de la santé et sécurité du travail du Québec (CSST), the Institut de recherche Robert-Sauvé en santé et sécurité du travail (IRSST) du Québec, the Workplace Safety and Insurance Board (WSIB) of Ontario, and the Canadian Institutes of Health Research (CIHR).

**Registration fees (including meals but not hotel):**  
**200\$ CAN (before March 1, 2013)**  
**250\$ CAN (March 1 and after).**

For **information**, please contact:
